ABOUT US

At DM Nova, we are pioneers in creating immersive experiences through cutting-edge technologies. Specializing in Augmented Reality (AR), Virtual Reality (VR), and 2D/3D games, we aim to redefine the way businesses engage with their audience. Our belief is that modern marketing goes beyond captivation it immerses customers in unforgettable experiences.

WHY JOIN DM NOVA'S TEAM?

Joining our team at DM Nova is about more than just gaining valuable work experience; it's about unlocking a world of opportunities and personal growth.

As an intern with us, you will have the opportunity to immerse yourself in a dynamic and innovative environment in which your ideas will not only be welcomed, but actively encouraged.

We believe in providing hands-on learning opportunities that extend beyond the classroom and allow you to apply theoretical knowledge to real-world projects. Collaborate with seasoned professionals, receive mentorship, and expand your network far beyond your internship. We prioritize your growth and development by providing a supportive environment in which creativity can flourish, skills can be honed, and passions can be ignited.
