# About Future Visions رؤى المستقبل

## Our Vision

An inspiring, innovative, and socially impactful youth environment

## Our Mission

To empower and uplift young individuals by equipping them with the necessary skills, knowledge, and opportunities, therefore enabling them to actively participate in decision-making processes and drive effective and innovative solutions.

**Innovating with the next generation.**  
*Innovating for the next generation.*

We are a Tunisian non-profit and independent association founded by a group of young people in 2017. Our mission is to empower young people by providing them with the skills, knowledge, and opportunities that enable them to participate positively in decision-making and find innovative and effective solutions. Our goal is to integrate young people into public social and economic life to promote a more inclusive and prosperous society.

# Why join Future Visions ?

## Opportunities for Growth

At Future Visions, we prioritize personal and professional development.

Our members gain hands-on experience in project management, leadership, communication, and strategic thinking through real-world initiatives.

## Collaborative Culture

We believe in teamwork, co-creation, and shared leadership.

Members collaborate in dynamic teams where ideas are valued and initiative is encouraged.

## Impact-Driven Projects

Joining Future Visions means working on impactful social projects that address real challenges.

Our initiatives focus on youth empowerment, civic engagement, innovation, and sustainable development.

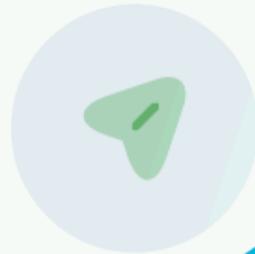

## Value & Recognition

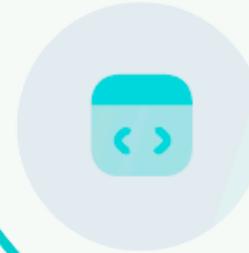

Future Visions offers meaningful engagement, skill-building opportunities, networking with partners, and recognition for your contributions to impactful projects.

# Accounting / Financial Organization

Project Ref

**FV-ACC-001**

SUBJECT 01

## Accounting Process Optimization Project

Number of Interns

**01**

Duration

**Between 3 to 6 Months**

Skills

**#Accounting**

**#FinancialManagement**

**#Organization**

**#AnalyticalSkills**

### Description

This project aims to structure and optimize the accounting and financial archiving system of the association.

The intern will contribute to improving financial traceability, document organization, and internal financial reporting processes.

### Objectives

- Organize and optimize accounting archives
- Study and improve the invoice processing circuit
- Implement tracking tools for financial monitoring
- Classify and verify accounting documents
- Assist in the preparation of internal financial statements

### Key Deliverables

- Structured digital and/or physical archiving system
- Optimized invoice tracking workflow
- Financial follow-up dashboard (Excel or digital tool)
- Clear internal reporting support documentation

# Communication & Digital Impact

## Digital Communication & Youth Impact Project

Number of Interns

**01**

Duration

**Between 3 to 6 Months**

Skills

**#ContentCreation**

**#DigitalMarketing**

**#SocialMediaStrategy**

**#AnalyticalSkills**

### Description

This project focuses on strengthening the digital presence and visibility of Future Visions while promoting youth volunteerism and social impact.

The intern will contribute to building the association's identity, highlighting flagship projects, and engaging the community through creative and strategic content.

### Objectives

- Promote volunteerism, innovation, and youth impact
- Valorize key projects of the association
- Strengthen and communicate the identity and values of Future Visions
- Contribute to the overall communication strategy

### Key Deliverables

- Content calendar
- Digital campaign or mini-project
- Performance report with engagement analytics
- Portfolio of produced content
